## **A FEW WORDS FROM YOUR PRESIDENT.... Jim Rosen**

**Welcome to the 21st consecutive Annual C4 Convention**, our fourth convention in Baltimore. Glad you are here, there is nothing like waiting all year for this convention and finally it is here. We have scheduled events, meetings, lectures and exhibits (at our C4 table). Please refer to this Program for specific times and locations for events

The C4 events (the Social and the Educational Program) will be held in the Harborview Room at the Sheraton Inner Harbor Hotel on Thursday night beginning at 5:00 pm. The Board of Directors Meeting will be held at 8:00 am Saturday morning in room 304 of the Convention Center and the Business Meeting will be held in the same room at 9:00 right after the Board of Directors meeting. This room (304) is the same room as the daytime lectures on Friday and Saturday. Please check with the Whitman Program and at our table to confirm the times and locations of these events as last minute changes can occur.

This year, for the first time, we are having an outreach program involving the informal grading and assessment of your coins as well as attributing them if you need it. Please check the program schedule for times and series. This will occur at our Club Gathering area (Booth 806).

Our co-sponsored auction with Stack Bowers is going to be another great event, being held on Friday in the Convention Center. At the time of this writing however, the room and time for the auction has not been determined, so please check at the Club table or the Stacks Bowers table for the exact time and location. The work that has been done behind the scenes in preparation for this convention has been significant and I truly hope that you all have as much fun and excitement at this convention as we the Board had in planning it.

So please enjoy yourselves, get re-acquainted with friends, make new ones, hang out at our C4 area and get to know the leadership and maybe this is the year that you get involved with our club. If you have any questions or concerns, please stop by the C4 table and talk to board members and give us your comments. We can always improve on things. As always, I appreciate your confidence in our Board.

We try to do our very best for our hobby.

### **C4's Focus and Purpose**

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

## AMERICAN NUMISMATIC SOCIETY

***The Colonial Newsletter***, Oliver Hoover, Editor

*The Colonial Newsletter (CNL)* is a research journal dedicated to the study of early American numismatics. Founded in 1960, CNL has continuously published some of the most scholarly and seminal studies in this area of numismatics. Focusing on the study of the coinages produced by the states during the Confederation period of the United States, CNL also investigates a variety of other specie that our forefathers used in their daily lives. Anyone with an interest in early America and its struggle to establish a new nation will find something of value in this publication. CNL is published three times a year in April, August, and December.
